Two Plus One Townhouse in Vilamoura

This townhouse is nestled in a serene corner of Vilamoura, offering a tranquil retreat amidst nature's beauty. Originally configured as a T2 villa with 2 bedrooms and 2 bathrooms, it underwent renovations to accommodate a flexible layout, now boasting a T2 + 1 typology. The additional space was intelligently utilised to incorporate an extra bedroom, currently utilised as an office, along with a third bathroom.

Ascending to the first floor, two ensuite bedrooms await, one featuring a balcony for serene moments outdoors, while the office also enjoys its own balcony. On the ground level, an inviting open-plan lounge seamlessly merges with the kitchen, complemented by a storage room. At the rear, a cosy space beckons, complete with lounging sofas, a communal table, and a barbecue—a perfect setting for gatherings. Parking is conveniently located in front of the property.
