Beautiful New Apartments

These brand new apartments, set in a location of natural beauty and due to be completed in 2024, are a great investment opportunity for those looking for a low maintenance holiday home. With close proximity to the coastal towns of Carvoeiro and Ferragudo, and lovely views of Monchique, this resort offers a perfect peaceful retreat. The apartments feature a modern design with lots of natural light, air conditioning, fully fitted and equipped kitchens, and a communal pool. The typology of the apartments is T1 plus 2, the master bedroom with built-in wardrobes and two additional rooms that can be used as bedrooms, office or TV rooms, and share a full bathroom.
